

The Sunroll™ Retractable Screen

Retractable Screen to Maximize Sun Control

The Sunroll™ Retractable Screen provides you with total vertical sun control of your covered outdoor space. Available in motorized or manual options, the Sunroll™ can be customized to fit your unique space with widths up to 20' and heights up to 12'.

Sunesta® 
AWNINGS & OUTDOOR COMFORT

The Sunroll™ with Weight Pipe - Available with Optional Rods

Our traditional Sunroll™ model is the largest of the Sunroll™ family and is available in widths up to 20' and drops up to 12'. This system can be operated with a manual gear or as a motorized unit. An optional one piece aluminum hood is available for added fabric protection. A stainless steel rod kit may be added to this model for weight pipe retention.

The Sunroll™ with Drop Bar & Cables

The Sunroll™ with Drop Bar and Cables is available in widths up to 16' and drops up to 12' and can be wall or ceiling mounted. The Stainless Steel cable system offers a sleek look that can be wall or floor mounted to keep the powder coated drop bar secure from moving in breezy conditions. An optional one piece aluminum hood is available for added fabric protection.

The Sunroll™ Smartcase with Drop Bar & Cables

Offering total fabric protection, the Sunroll™ Smartcase with Drop Bar and Cables is available in widths up to 16' and drops up to 12' and can be wall or ceiling mounted. The Stainless Steel cable system offers a sleek look that can be wall or floor mounted to keep the powder coated drop bar secure from moving in breezy conditions.
